O R D E R

On July 16, 1992, AT&T Communications of the South Central States, Inc. ("AT&T") filed a petition pursuant to KRS 278.512 requesting modification of the regulation of AT&T by the Kentucky Public Service Commission ("Commission"). AT&T further requests that the Commission set a prehearing conference within 21 days of the filing of the petition.

The Commission finds that AT&T's request for a prehearing conference is premature since requests for intervention are currently pending and the time for filing requests for intervention has not elapsed.

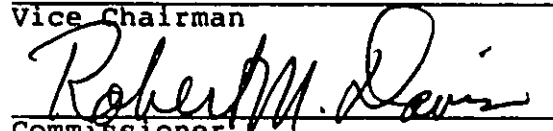

IT IS HEREBY ORDERED that AT&T's request for a prehearing conference within 21 days from the filing of the petition is denied.

Done at Frankfort, Kentucky, this 11th day of August, 1992.
